Report on the Financial Statements

I have reviewed the accompanying financial statements of Nordic Sociological Association, which comprise the statement of financial position as at December 31, 2020, and of the financial performance for 2020.

Responsibilities of the Board of Directors

The Board of Directors are responsible for the preparation and fair presentation of these financial statements in accordance with the International Financial Reporting Standard for Small and Medium-sized Entities, and for such internal control as the Board of Directors determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibility

My responsibility is to express a conclusion on the accompanying financial statements. I conducted my review in accordance with International Standard on Review Engagements (ISRE) 2400, *Engagements to Review Historical Financial Statements*. ISRE 2400 requires me to conclude whether anything has come to my attention that causes me to believe that the financial statements, taken as a whole, are not prepared in all material respects in accordance with the applicable financial reporting framework. This Standard also requires me to comply with relevant ethical requirements.

A review of financial statements in accordance with ISRE 2400 is a limited assurance engagement. The auditor performs procedures, primarily consisting of making inquiries of management and others within the entity, as appropriate, and applying analytical procedures, and evaluates the evidence obtained.

The procedures performed in a review are substantially less than those performed in an audit conducted in accordance with International Standards on Auditing. Accordingly, I do not express an audit opinion on these financial statements.

Conclusion

Based on my review, nothing has come to my attention that causes me to believe that these financial statements do not present fairly, in all material respects, the financial position of Nordic Sociological Association as at December 31, 2020, and of its financial performance for the year then ended, in accordance with the International Financial Reporting Standard for Small and Medium-sized Entities.
